Lash Lift

45 mins \$79 \$59.25

A lash lift creates luscious lifted lashes that will last in the blink of an eye. This treatment is all it takes to deliver a sumptuous lash lift that is retained, even after a shower or swimming for up to 12 weeks. **Includes eyelash tint.**

Non Surgical Body Shaping

45 mins \$99 \$74.25

This treatment helps reduce cellulite, remove the appearance of stretch marks and dissolves fat from unwanted areas of the body. It promotes a faster metabolism with increased lymphatic drainage, guaranteeing you a reduction in centre metres every treatment.

Special Occasion Makeup

60 mins \$70 \$52.50

Using superior quality mineral makeup to achieve your special occasion makeup, including lashes. Minerals can dramatically improve the look of any complexion giving the illusion of clear, healthy blemish free skin with full breathable coverage, ensuring the health of your skin is continually looked after.

TREATMENT PRICELIST

Skin Consultation

30 mins

The secret to beautiful skin is to understand your exact needs. We will uncover your skin's unique characteristics through a comprehensive skin analysis and skin diagnostic photos. We will then offer specialist advice utilising treatments and products tailored to you, so you can look and feel your very best, every day.

Teen Clean

45 mins

A deep cleansing acne treatment facial designed specifically for your teen. It includes either a light microdermabrasion or peel to resurface the skin for a deep clean.

LED Lounge

45 mins

Beautiful skin is achievable for everybody with Dermalux®. One treatment instantly energises skin cells to revitalise a dull and tired complexion. A course of treatments offers long lasting visible results, stimulating the skin's natural rejuvenation and repair processes to speed up cell renewal, resolve problematic skin conditions and promote vibrant healthy-looking skin.

Facial Skin Tightening

60 mins

A relaxing and non invasive skin tightening and anti-aging treatment. It works by stimulating new collagen production resulting in a reduction of fine lines and wrinkles with a lifting effect.

Advanced Microdermabrasion

60 mins

This is a total skin treatment incorporating both chemical exfoliation along with a microdermabrasion to gently exfoliate dead skin cells and reveal smoother, softer, evenly coloured skin. It incorporates a vitamin infusion of potent anti-aging and antioxidant vitamins along with a mask to compliment your skin concerns and a massage. This is a great relaxing treatment that will refine, smooth and plump the complexion.

O2 Lift Facial

60 mins

Imagine releasing fresh, healthy skin hidden below layers of older skin cells with a process that's both gentle and invigorating. Using oxygen, plant-derived stem cells, peptides and specially concentrated enzymatic botanicals, O2 LIFT delivers a premium spa experience with immediate results. This anti-aging beautiful treatment produces gorgeous luminous skin that feels as healthy as it is radiant.

Skin Workouts

45 mins

We have a variety of enzyme and acid peels to help with all skin concerns. Peels will help to decongest, clarify and control oil production. Peels have proven anti-aging ingredients to refresh, hydrate, and refine your skin. It works quickly to diminish fine lines and wrinkles, even skin tone and improve overall skin luminosity.

Powerhouse Skin Workout

60 mins

This treatment consists of two peels and is recommended for premature aging, pigmented and dehydrated skin.

Rezenerate

60 mins

Rezenerate is a professional grade, state of the art nano-facial treatment using a precision wand featuring a silicon chip that creates millions of micro channels in the skins surface. This allows products to be deeply penetrated to the dermal layer where collagen stimulation happens, to create a smoother, finer, younger looking skin.

IPL Skin Rejuvenation

45 mins

An IPL Skin Rejuvenation treatment uses pulses of concentrated light to treat Sun Damage Pigmentation, Rosacea, Spider Veins, Acne, and reduce the appearance of fine lines to improve your overall skin tone. This treatment is safe, comfortable, and effective with little to no downtime.

Direct Needle Therapy

45 mins

This treatment utilises Direct Needle Therapy (DNT) to rejuvenate the skins youthful appearance. This powerful treatment works to quickly rejuvenate the skin by increasing the production of collagen and elastin and helps to visibly reduce the appearance of fine lines / wrinkles, coarse texture, scarring and dull skin tone.

Acne Program

60 mins

The advanced Acnelan treatment is for acne-prone skin and tackles the numerous factors that trigger acne. It resurfaces the skin to clean blocked pores, remove impurities, improve skin texture, and minimise scarring. This program is carried out in a series of 3 sessions, includes 5 take home products and includes a post treatment healing LED Lounge.

Pigmentation Program

60 mins

Cosmelan is the number one treatment to effectively reduce unwanted pigmentation, melasma, sun damage and post inflammatory hyperpigmentation . With a powerful combination of depigmentation agents this program includes the treatment, 7 take home products and a post treatment healing LED Lounge.

Plasma Fibroblast

Plasma Fibroblast is a revolutionary cosmetic treatment which offers an alternative to invasive procedures. Fibroblast delivers results which rival surgical procedures, but with minimal downtime. An innovative development in aesthetic treatments which causes the skin to tighten and lift, giving results that are noticeable after only one treatment. The elasticity of the skin and skin tightening will continue to improve as the skin heals and repairs. A completely safe procedure suitable for most skin types, an ideal treatment for anyone who wants to achieve a smoother more youthful looking complexion. The results are incredibly natural.
